Terms and conditions apply.

WE'VE GOT YOUR BACK

WITH A LIMITED LIFETIME GUARANTEE.

Your car's life depends on more than just an oil change. Valvoline Professional Series™ Services maximize the life of your vehicle by protecting critical systems like the brakes, cooling system, fuel system, power steering and transmission.

What's more, Valvoline™ backs the protection with a Limited Lifetime Guarantee with coverage of up to \$4,000 for each critical system as long as you stay current on the services.

How Do I Qualify for the Program?

Select the System(s) that you want coverage and have service(s) performed. Mileage at the time of first service determines your coverage level.

How Do I Maintain Coverage?

- Repeat your service according to the intervals shown below
- Save your receipts
- Return to original service provider to receive your next service

Services Covered

You only need to have services performed for those components for which you desire coverage.
